

Guide for using "Find a Podiatrist":

- To find your nearest podiatrist, enter your postcode on the Find a Podiatrist tool.
- Enter **your full postcode**, i.e. BH21 7DJ, then click Find.
- The search does not work if you only enter the first part of your postcode.
- Scroll down to view contact details for your nearest podiatrists.
- You can alter the search distance to 5 miles, 10 miles, 15 miles or nationwide.
- The podiatrists are categorised by **Accredited practice, Practising Surgery or Visiting Practice** (i.e. they do home visits).
- If you click on View on the podiatrist record, you can also view a map of the practice location.
- You can also search by town, podiatrist name (full name or surname), podiatry practice name (if known) or podiatric surgeon.
- For **Overseas podiatrists**, you can only search by podiatrist name (full name or surname), podiatry practice name or topographic.
- **All of our members are fully qualified and registered with the Health and Care Professions Council (HCPC).**
